

SIGNED DECLARATION
on participation in the activities of the project
“Building Europe with Local Councillors”

In the context of the “Building Europe with Local Councillors” network, which aims to help and encourage local representatives to present EU policies, actions and initiatives objectively to their constituency and to promote discussion and debate about these policies, actions and initiatives, and in particular of the application submitted by

NAME OF LOCAL ADMINISTRATION	COUNTRY	REGION

to the European Commission,

LOCAL AUTHORITY FULL NAME

will

- Ensure continuity of membership as soon as the initial member ceases its functions or availability in the framework of the “Building Europe with Local Councillors” network for any reason, by appointing a new member and transmitting to the Commission without delay the new signed declaration, with a clear reference to the initial application and letter of acceptance.
- Upon duly justified request by the Commission, after having granted the member an opportunity to be heard on the matter, terminate the appointment of the member if the actions of that member undermine the aim of the “Building Europe with Local Councillors” network or are manifestly incompatible with the values on which the Union is founded, and proceed to appointing a new member.

By submitting this declaration, I agree to the terms and conditions set forth in the call for participation.

will

- Regularly engage in discussion and debate with members of their constituency or local media about the general political initiatives and measures carried out by the EU, and encourage the citizens to get involved in debates on the future of the EU;
- Present EU policies, actions and initiatives objectively, based on accurate and trustworthy information;
- Take part in the life of the “Building Europe with Local Councillors” network by participating in the online platform, attending seminars and visits offered by the Commission (depending on availability), responding to surveys conducted approximately twice a year, and providing feedback on activities undertaken in the context of the network.

By submitting this declaration, I agree to the terms and conditions set forth in the call for participation.
